1. OVERVIEW & PROFILE

DOEACC Centre Srinagar/Jammu (formerly CEDTI Srinagar/Jammu) is a premier training IT-HRD organization which was setup jointly by Department of Information Technology, MCIT, (erstwhile Department of Electronics), Govt. of India, J&K State Industrial Development Corporation and University of Kashmir in 1983. It is located in the twin capital cities of the J&K State i.e, Srinagar the Geneva of East and Jammu the city of Temples. The Srinagar Centre is located in the Industrial Electronics Complex, Rangreth on a 7.5 acre picturesque **Wi-Fi campus** with a built-up area of over 33000 sft while as its extension Centre is located in the New Camus of University of Jammu with state-of-the-art training facilities.

The Centre conducts both formal and non-formal long-term courses approved by AICTE-MHRD in addition to the practical oriented, industry sought short-term courses for the skill enhancement of students and professionals. The Centre conducts MCA program in affiliation with University of Kashmir, DOEACC courses like 'O', 'A', 'B', MCA/BCA of IGNOU.

It has forged academic tie-ups with organizations like Oracle for its Workforce Development Program and CISCO for offering CISCO academy courses both at Srinagar and Jammu. The Centre has emerged as a front runner consultancy organization and has been designated as IT advisors to the Govt. of J&K in the implementation of e-Governance initiatives. The Centre has been recommended for ISO-9001-2008 certification by ISO audit team. For details please visit www.jkdoeacc.in

INDUSTRIES PROFILE:

It has been the endeavor of the Centre to bring industry relevant, job oriented training to the students, year after year at an affordable cost. This year, **1229 students including 396 SC/ST candidates and 160 women candidates were admitted to various long-term courses like MCA (in affiliation with University of Kashmir), DOEACC 'O', 'A', 'B' level, MCA/BCA IGNOU. In addition to this, 2364 students including 346 SC/ST candidates were admitted to various short-term courses.** The Centre plays a pivotal role in assisting the local IT/ITES industry in providing trained manpower along-with helping its pass outs in establishing their own enterprises.

REVENUE GENERATION:

The audited figures will be provided on completion of the audit.

2. NEW INITIATIVES IMPLEMENTED DURING THE YEAR

2.1 Launch of MCA program in affiliation with University of Kashmir.

The Centre has launched three year MCA program in affiliation with University of Kashmir with an approved intake capacity of 30 students. The first batch commenced its course work w.e.f. April 2008 and are now into their 3rd semester. The Centre has also applied to AICTE for the approval of MCA program. AICTE in its hearing committee convened on 16th February 2009 cleared the Centre for the final inspection.

2.2 ISO Certification.

The Centre has been recommended for ISO 9001-2008 certification by the ISO audit committee. The ISO certification from DAS(UK) is likely to be awarded before 30th April-09.

2.3 CISCO academy status.

The Centre has been granted CISCO academy status for conducting CCNA the flagship program of CISCO both at Srinagar and Jammu. This was done after upgrading the infrastructure at both the places as per the recommendations of CISCO and also getting two of the faculty members trained as CISCO certified instructors. One of the instructors Sh. A.H.Dar was also deputed to attend the CCNP Instructor training program at Coimbatore, Tamil Nadu from 26th January to 7th Feb.-09. In the 1st CCNA academy program 104 enrolments have been recorded.

2.4 Training of 160 women candidates under Women empowerment program.

Training of graduate and under graduate women in DOEACC %O+ and %A+ Level Courses was conceived for providing job oriented trainings. Under the scheme, 90% of the course fee is being subsidized with 70% to be borne by DIT Govt. of India and 20% to be borne by DOEACC Centre Srinagar/Jammu. Only 10% of the course fee would be charged from the candidate.

The Centre admitted 160 students (O-level 80, A-level 80) in two batches i.e. July 2008 and January 2009 both at Srinagar and Jammu. The break up of the candidates admitted to the training programme is given as hereunder:

Session	Centre	Seats Allotted		O Level					A Level						
		O	A	Gen	SC	ST	Oth	Total	Gen	SC	ST	Oth	Total		
July 2008	Srinagar	20	20	20	Nil	Nil	Nil	20	20	Nil	Nil	Nil	20		
	Jammu	20	20	18	Nil	Nil	02	20	20	Nil	Nil	Nil	20		
January 2009	Srinagar	20	20	20	Nil	Nil	Nil	20	20	Nil	Nil	Nil	20		
	Jammu	20	20	16	03	01	Nil	20	20	Nil	Nil	Nil	20		
Grant Total									80						80

2.5 Free training for SC/ST Candidates in IT Courses

The Centre implemented free training for SC/ST Candidates in IT Courses including DOEACC ~~Q~~ ~~A~~ ~~B~~ and short-term courses under Scheduled Caste Sub-Plan (SCSP) and Tribal sub-plan (TSP) and recommendation of sub-group under the committee of ministers of Dalit Affairs (CDMA) .

In this regard, the Centre offered free training to **742 SC/ST candidates** which includes **396 for long-term courses and 346 candidates** for various short term courses.

The break-up of SC/ST candidates admitted to various long-term courses is as follows:

- DOEACC ~~B~~level : 21
- DOEACC ~~A~~level : 52
- DOEACC ~~Q~~level : 270
- Hardware ~~A~~level : 06
- Hardware ~~Q~~level : 53
- Total : 396**

2.6 Conduct of Online Examination for Certificate Course on Computing Concepts (CCC) Exam.

During the year, the Centre established **38 examination venues** across two states i.e., J&K & Uttaranchal and **enrolled 1662 candidates** in the CCC online examination conducted in June-08, Oct-08 and Feb. 2009.

Moreover, the Centre is trying to reach out to secondary and higher secondary schools through print and electronic media to register them for conducting CCC course.

3. HUMAN RESOURCE DEVELOPMENT
